

A reloadable healthcard

The Philippine Family Health & Dental Plan, Inc. (PFHDP) is offering a reloadable HealthCashCard to enable Filipinos to enjoy quality and affordable healthcare services. "We wanted to minimize your out-of-pocket expenses for your healthcare products and services that's why we came up with this unique product," said Dr. Dennis Youngblood, PFHDP founder and senior managing consultant. The HealthCashCard can be acquired by accessing the website: *www.healthcashcard.com* or *www.pfhdp.com* and filling out the form and deciding how much load you will put on the card. You can load as low as P1,000 if you're a local resident or a minimum of \$20 per transaction if residing or working abroad. To learn more about PFHDP's reloadable HealthCashCard visit *www.pfhdp.com* or email *philfamilyhealth@gmail.com* or call 889-5145. The Philippine Family Health & Dental Plan, Inc. office is located at 105 Le Domain Bldg., 103 Salcedo Village, Makati City.
